

Night Fishing Pass

- Allows parking in the Lambert's Cove Beach parking lot between the hours of 9 p.m. and 7 a.m.
- Available to Town of West Tisbury residents only.
- Beach access for the purpose of fishing only.

Please be considerate in your use of this privilege. Respect the property and rights of neighbors. Fires and loud noises are prohibited; please do not leave trash, fish carcasses, bait, fishing line or hooks behind when you leave. Your cooperation will insure the continuation of this program.

A limited number of these permits will be issued. Applications are available at the Parks & Recreation shed at the tennis courts at the West Tisbury School. The shed is open daily from 9 a.m. – 12 p.m. as well as 4-7 on Fri., Sat. and Sun. On completion of the application, a pass will be issued to you and a copy of the pass forwarded to the West Tisbury Police. Please display the Fishing Pass in the front window of your vehicle when parking at night, and back into the parking slot so that the Pass will be easily visible by the Police patrol. **THE PASS MUST BE VISIBLE OR THE POLICE WILL ISSUE A TICKET.**

We are confident that as sportsmen you will do your best to insure the success of this program. It would be helpful if you would report any activity on the beach that is detrimental to its success. Thank you for your cooperation.

Happy fishing!

West Tisbury Parks & Recreation Committee
